

SOLE SOURCE JUSTIFICATION

1. Nature and/or description of the supplies/services required to meet the minimum needs of the Naval Research Laboratory.

2. The critical or unique features which are mandatory in its intended use or application that limit their availability to a single source

3. A statement that no other known product possesses one or more of the required features.

4. Any other facts supporting the use of other than full and open competition such as the existence of a patent, copyright, or limiting feature:

5. A statement of action agency may take to remove or overcome barriers to competition prior to subsequent acquisitions for the supplies or services covered under this justification:

I certify the facts and representations made in and which form a basis for this justification are accurate and complete.
